

## ADVISORY

**Advisory ID.** DEAD0007\_Advisory07\_re-audit\_mandatory\_en.doc

**Issued on:** 01 August 2011

**Object:** Re-audit mandatory to close re-opened CARs

The following text in the IRIS booklet Rev. 02, chap. 2, clause 6, page 23:

*Auditor may decide about the necessity of a re-audit or other appropriate methods to review the effectiveness of the corrective actions.*

is amended as follows:

*Auditor may decide about the necessity of a re-audit or other appropriate methods to review the effectiveness of the corrective actions.*

*If an auditor re-opens a CAR which was closed during the previous audit (certification or surveillance), the need of a re-audit becomes mandatory to verify the effectiveness of the new corrective action.*
